Education

National Taiwan University, PhD in Economics	*2021–present* (expected Dec 2026)
University of Mannheim, MSc in Economics	*2018–2020*
National Chengchi University, BA in Public Finance	*2012–2016*

Research Interest

Empirical Macroeconomics, Monetary Policy, Applied Microeconomics, and Public Economics

Job Market Paper

- Monetary Policy and Income Inequality: The Role of Corporate Earnings Allocation (with Tzu-Ting Yang)

  Abstract: This paper examines how firms' responses to monetary policy shape its distributional effects through wage and dividend payments. Using administrative tax records from Taiwan for 2004–2023 that link firms to the workers and shareholders they pay with high-frequency monetary policy shocks, we find that expansionary monetary policy raises firm revenue and increases payments to both workers and shareholders, but dividends respond far more strongly than wages. The dividend response is stronger among firms with greater reliance on short-term borrowing, consistent with a credit channel in which monetary easing relaxes financing constraints and allows firms to raise shareholder payouts. These firm-level responses translate into unequal income gains. The total income gain of the top 1% is about 2.2 times that of the bottom decile, and dividends account for about 61% of the top 1%'s gain. Monetary easing in Taiwan thus disproportionately benefits top earners, primarily through dividend income.

Teaching Experience

Teaching Assistant, National Taiwan University, Taiwan

- Graduate Econometric Theory, 2023–2024 (independent English-language class sessions)

Teaching Assistant, National Taiwan University, Taiwan

- Undergraduate Macroeconomics, 2021–2023

Teaching Assistant, National Chengchi University, Taiwan

- Undergraduate Introductory Economics, 2020–2021 (independent English-language class sessions)

Teaching Assistant, University of Mannheim, Germany

- Undergraduate Macroeconomics, Spring 2020 (independent English-language class sessions)

Tutor, National Chengchi University, Taiwan

- Undergraduate Economics, 2014

Work in Progress

- The Impact of Interest-Only Mortgage Bans on Housing Decisions: Evidence from Taiwan. (with Tzu-Ting Yang)

Awards

- National Science and Technology Council Grant for Doctoral Candidates in Humanities and Social Sciences to Support Dissertation Writing — *2026*
  National Science and Technology Council, Taiwan
- Academia Sinica Fellowships for Doctoral Candidates in the Humanities and Social Sciences — *2025*
  Academia Sinica, Taiwan
- Liu, Ke-Zhi Memorial Scholarship — *2025*
  Department of Economics, National Taiwan University, Taiwan
- Second Place, Teaching Assistant Evaluation — *2024*
  Department of Economics, National Taiwan University, Taiwan
- Sun, Zhen Scholarship — *2024*
  Department of Economics, National Taiwan University, Taiwan
- First Place, Teaching Assistant Evaluation — *2023*
  Department of Economics, National Taiwan University, Taiwan
- Harold H. C. Han Memorial Scholarship — *2022*
  Department of Economics, National Taiwan University, Taiwan
- Academician Chu Jing-Yi, Prof. Chen Tan-Jie Department of Economics Scholarship — *2021*
  National Taiwan University, Taiwan
- Academic Achievement Awards (for top 3 students in class) — *2016, 2015, 2013*
  National Chengchi University, Taiwan

Conference and Seminar Presentations

Taiwan Economic Association Annual Conference (TEA2025), Taiwan, 29 Nov 2025

Macroeconometric Modelling Workshop (MMW2024), Taiwan, 12 Dec 2024

2024 Big Data in Finance and Taxation Forum & Presentation of Collaborative Achievements in Fiscal Data Application, Taiwan, 16 Aug 2024

18th International Symposium on Econometric Theory and Applications (SETA 2024), Taiwan, 29 May 2024

Referee Activities

Hitotsubashi Journal of Economics

Employment Experience

Research Assistant, Academia Sinica, Taiwan *2023–2025*
- Supervisor: Prof. Tzu-Ting Yang

Research Assistant, National Chengchi University, Taiwan *2020–2023*
- Supervisor: Prof. Natsuki Arai
